## **Shift Supervisor**

**Lake Consolidated Emergency Communications (LakeComm)** is now accepting applications to create an eligible candidate pool for Shift Supervisors through the end of 2025.

The Shift Supervisor position requires the training and skills of a multi-disciplined (Police, Fire, & EMS) call-taker and dispatcher but will be responsible for co-managing a shift of 12+ public safety telecommunicators in a busy consolidated 911 ECC environment. A desirable lateral candidate would have at least one year of recent supervisory and/or management experience in addition to 5+ years as a public safety telecommunicator in a multi-disciplined agency. Certifications in LEADS, Priority Dispatch Emergency Medical Dispatch and Emergency Fire Dispatch are encouraged in addition to formal industry specific supervisory certifications.

**LakeComm** is a brand new regional consolidated 9-1-1 Emergency Communications Center housed in a portion of the new state of the art Lake County Regional Operations & Communications Facility and expected to begin operations in the near future. With a full-time staff of 107, LakeComm will support 9-1-1 call-taking and emergency dispatching for 30 agencies in Lake County, Illinois.
